

This time of year, some are focusing on “Advent” with fasting and reading scripture. [The Advent season is a time of preparation that directs our hearts and minds to Christ’s second coming at the end of time and to the anniversary of Our Lord’s birth] While Advent is newish to me, there is ALWAYS value in reading and meditating on scripture and turning or keeping our focus on Jesus.

With so much pushing against us in culture, the “cooling down” of faith, and the need for direction and spiritual strength. I felt like God was leading us into *RENEW31/21* in order to help us **SEE Jesus, Restore Faith**, and further **prepare and reveal** to our hearts the things He has for us individually and collectively.

RENEW31/21 will cover the Gospels and Acts followed by and connected to **21 Days of Prayer**. **However**, for some who want a **little bit lighter reading schedule**, we have also created a “Luke Only” plan to get you started.

NEXT STEP:

If you want to take this journey text “**3121**” to **(660) 210 2030** and you will receive a link with the reading plan, and a framework to get started.

For those who want to go further, we will select a time for a weekly online study time within week two.

Be blessed!!
